Monty's Pet Health Club

Prevention is always best – and now it is possible with great savings

www.demontfortvets.co.uk

de MONTFORT VETERINARY HOSPITAL

Welcome

Our **Pet Health Club** is a great way for us to help you cut the cost of caring for your pet, enabling you to keep your pet in the best possible health for leading a long and happy life.

We have made it easy for you with discounted monthly payments and we reward you with exclusive Monty's Pet Health Club offers.

Prevention is better than cure!

Monty's Pet Health Club provides pets with the best preventative care to maintain fitness and health throughout the year and **saves you money**.

Regular visits mean that we have the opportunity to examine your pet, administer necessary vaccinations and dispense accurate up-to-date worming and flea treatments.

An overall clinical examination provides pet owners with peace of mind as we carefully monitor the general health of your pet and offer advice, support and treatment planning.

This can reduce or prevent problems arising in the future. Furthermore, the cost of maintaining the general health of your pets is distributed throughout the year by making monthly Direct Debit payments – **it couldn't be simpler**.

All Club members then qualify for additional discounts, whilst spreading the cost of routine treatments.

...and look how little it costs to join!
